EDUCATION

B.Tech CSE specialised in Data Science

NIIT University , Rajasthan

07/2016 – Present

Present CGPA - 7.18

Higher Secondary Education (HSC Board)

The Scholar's High School & Junior college,
Maharashtra

06/2013 – 04/2015

Percentage - 69.08

Secondary Education (CBSE Board)

All Saints High School, Maharashtra

05/2003 – 03/2013

CGPA - 8.6

DATA SCIENCE PROJECTS

Machine learning for advertisement

- Using Random forest and logistic regression.

Finding best location to open a resort in Jodhpur, Rajasthan using machine learning

- Using web scraping , foursquare , k-means clustering , folium.

Run time speech conversion using machine learning

- Implemented speech recognition using LSTM for spoken digits.

Titanic: Machine learning from disaster

- Using Support Vector Machine , Logistic regression.

Classification for a loan case (will be paid or not)

- Using four classification algorithms and comparing.

Exploring Crime rate in San Francisco

- Using folium and choropleth.

Clustering Toronto city by similar neighbourhood

- Using k-means , folium.

SKILLS

Python

Machine Learning

SQL

Data Visualisation

Data Cleaning

Matplotlib

Data Analysis

Web Scraping

JAVA

PROFESSIONAL DEVELOPMENT & AFFILIATIONS

IBM Data Science Professional Certificate

On coursera. Certificate earned at Tuesday, July 30, 2019.

Including courses :

1. What is Data Science?
2. Open Source tools for Data Science
3. Data Science Methodology
4. Python for Data Science
5. Databases and SQL
6. Data Analysis with Python
7. Data Visualization
8. Machine Learning with Python
9. Applied Data Science Capstone

OTHER PROJECTS

Website for Neemrana Circle Business

- Worked as back end developer using java

Developed a simple android game

- Using Unity - Real Time Development Platform

Database for Hotel Management System

- Using MYSQL

ADDITIONAL ACTIVITIES

Event Management -

- Event Manager in Ingenuity (NIIT University fest) , 2017.

Organiser of badminton premier league (NU-BPL-3) at NIIT University , 2018.

- Managing 100 people including players and audience

Won the badminton competition (NU-BPL) held at NIIT University , 2017.

Won the first position in dance competition (Audacity) held at NIIT University in 2016-17.
